December, 2013

Looking for that perfect gift for Christmas? Have you looked in Nephi? Nephi is home to dozens of local busi-

nesses that may have exactly what you're looking for. In addition to finding that perfect gift, you are also benefiting yourself by shopping locally. Sales tax revenues help provide many of the city services you know and love. This holiday season, before driving a million miles out of town, take a look what local businesses have to offer. You may be surprised at what you find! The Nephi Chamber of Commerce list is included in the online version of this newsletter on page 3.

The Nephi City Light Parade was a big success. Look forward to the winners being announced on our Facebook page!

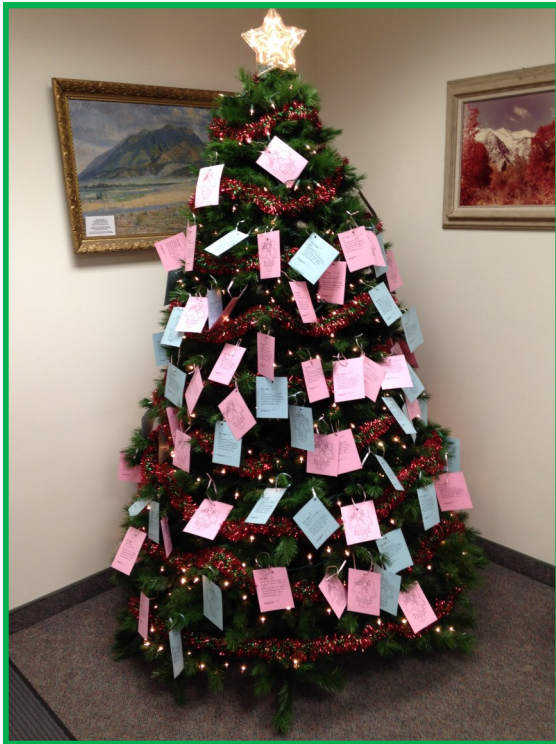

Attention Students! Winter Break begins December 23rd and runs through January 1st. Do not go to school on these days. No one will be there to teach you. Enjoy the holidays instead!

Juab County Food Bank Needs your Help

Consider donating to the Juab County Food Bank. The winter can be a tough time to keep food on the shelves, and the Juab County Food Bank could use some extra help this winter. Your donations will directly address local needs. The Food Bank is located at **33 E. 100 N. (west side of Old Gym, north door).**

Please bring all donations to the food bank, 33 E. 100 N. Call ahead to LaWana Stanley at **623-1579**

One of the best ways to spread holiday cheer is by supporting Sub for Santa. Sub for Santa is a well established charitable organization that helps needy children by empowering their parents with the ability of gift giving. Sub for Santa Christmas trees have the ages and needs of children in the area. You can select a child and purchase a gift to be given to them by their parent(s) or guardian. Cash and other donations are always welcome to support the program.

Reminder: Those supporting Sub for Santa need to return their purchases to the Nephi City Hall, unwrapped, by December 13th.
